Dear Attorney:

Please allow me this time to introduce myself. My name is Marie Fisher, I am the owner and operator of Caring Hearts Agency LLC. I have been in business for the past several years. My agency provides off-site visits to locations such as parks, restaurants, museums, and sporting events. My services are directed at assuring the safety and well-being of children in a supportive environment where both children and visiting parents or family members can share enjoyable visits. We take pride in our confidentiality policies even in high profile cases where at times this may be a difficult issue. All our clients are treated with the same dignity and respect whether they are full paying or sliding scale.

I am an experienced responsible professional dedicated to providing the highest level of service. I am qualified under California Rules of Court 5.20 to provide supervised monitoring. I have trained over the years with a Licensed Clinical Social Worker, who is now one of my Associates; I work very closely with the DCFS and have had the opportunity to work on many of their difficult cases.

I am attaching my information and references for your review. Please feel free to contact any of my references, as I take great pride in the work I have been involved in over the past several years, I would appreciate the opportunity to work with you to help families in crisis.

The Caring Hearts Agency also provides, therapeutic monitoring, counseling for individuals and families, including EMDR for victims of trauma, parenting classes and anger management classes for adults and adolescents

Should you have questions or a need for my services, please contact me.

Sincerely,
Marie Fisher
